

**REMARKS**

1. All pending claims were rejected in light of various references cited by Examiner.
2. Claim 1 was amended to include the limitations of claims 9-12. Applicant respectfully submits that, while some of the elements of the presently claimed invention are disclosed in the prior art, the prior art does not teach this particular combination of elements, the prior art does not teach a motivation to create this combination of elements, and that there is no motivation, suggestion, or teaching that it would be desirable to experiment with this combination of elements. Lacking such a teaching, Applicant respectfully submits that the invention, as presently claimed, is allowable and should proceed to registration.
3. Claims 2-20 are cancelled.
4. Applicant respectfully requests allowance of claim 1.

Respectfully submitted,
